Case No. [24-cv-04773-TLT](#)

ORDER OF DISMISSAL

12 Plaintiff, a person in detention at the Yuba County Jail, filed two versions of a letter with
13 the Court on August 5 and 6, 2024, which the Court construed as an attempt to file a civil rights
14 action. ECF 1, 5. On August 6, the Clerk of the Court informed plaintiff that this action was
15 deficient because (1) he had not submitted his complaint or petition on the proper form; and (2) he
16 had not submitted an *in forma pauperis* application or paid the filing fee. ECF 2, 3. The Court
17 informed plaintiff that he needed to correct the deficiencies within twenty-eight days from the date
18 of the notice to avoid dismissal of this action. *Id.* The deadline has passed, and plaintiff has not
19 submitted the required documents.

20 The Court therefore DISMISSES this action without prejudice. Because this dismissal is
21 without prejudice, plaintiff may move to reopen the action. Any such motion must contain both
22 (1) a complaint on the proper form and (2) either the full filing fee or a complete *in forma*
23 *pauperis* application.

IT IS SO ORDERED.
